The Management Company may announce a suspension or deferral of redemption. Such a measure shall be taken to protect the interest of the Unitholders in the event of extraordinary circumstances or in the event redemption requests accumulate in excess of ten percent of the Units in issue. The requests in excess of the ten-percent shall be treated as redemption requests

qualifying for being processed on the next business day at the price to be determined for such redemption requests. In such an event, the queue system, if already invoked, shall cease to apply and all Unitholders shall be paid after selling the assets and determining the Final Redemption Price.
